25 YEAR RE-REVIEW

12 July 1963

Dear General Adams:

Thank you very much for your recent letter inviting me to visit Exercise SWIFT STRIKE III.

Unfortunately my schedule will not permit me to attend personally. However, this Agency will be represented through our War Plans Staff.

If I may take a rain check, I shall be grateful if you will let me know when another exercise of this nature is scheduled because I should like very much to attend if at all possible.

Sincerely,

*Signd*
